

Authorization document

e-Export documents is a service maintained by the Finnish Chambers of Commerce, where non-preferential European Union Certificates of Origin and a number of other foreign trade documents can be confirmed online. By completing and signing this authorization form an entity (a company) agrees to comply **with general terms and conditions of the service and the Chamber of Commerce guidelines of the non-preferential European Union Certificate of Origin.**

These terms and conditions and instructions are included in the Annex documents to this service and the registering entity assures upon registration that its representative is aware of their content.

The signing entity is responsible for the activities and rights of the authorized administrator using the service and for the activities and rights given to the sub-users by the administrator.

Information on the administrator and changes regarding the administrator should be given using this authorization form. The form should be signed by the signatory of the entity, who can be, for example, the CEO, the signing clerk or the Board of Directors of a limited liability company, managing partner, Managing Director or signing clerk in partnership and the proprietor himself/herself in a case of a sole trader. The forms should be sent to the Chamber of Commerce in which region the entity operates. The administrator appointed by the entity creates the sub-users for the entity in the service system and is responsible for managing their passwords to use the service.
